

**My Ode to the Church of Philippi  
Celebrating her 30th anniversary By Rev. Jonathan Song**

I am overwhelmed by the enormous meaning and the glory,  
Bestowed upon the Church of Philippi, Lord!

All the labors of love, All the prayers with tears,  
All the things created through the ministries of the church,  
All could never have happened without Thy grace and mercy and power.

Blessed be the name of the Lord God the Almighty!  
Blessed be the name of the Lord Jesus Christ the Redeemer!  
Blessed be the name of the Holy Spirit the Ultimate counselor!

May the Church of Philippi be the church,  
As she has been so far,  
That prevails against the power of the gate of hell.  
As she looks ahead and strives for another 30 years of labor of love and prayer with tears  
With the blessings of the Holy Trinity.

May she be holy and pure like a bride at the wedding!  
May she always be awakened waiting for her bridegroom's coming.

Glory to God!

Maranatha!
